AMTRAK TRACK WORK & STATION CONSTRUCTION

**WEEKDAY LATE NIGHT BUS SUBSTITUTION &
ADJUSTMENTS TO SERVICE**
Effective Friday, June 8, 2018

Due to significant Amtrak construction, the late night Trains noted in the timetables below will be replaced by a Shuttle Bus, Monday through Friday, starting Friday, June 8th

Amtrak construction is expected to continue through June and additional adjustments to service are expected. Information is subject to change. Customers will be notified prior to any additional change to service. Please look for NEW signage posted at stations or visit www.septa.org for updated service information during construction

INBOUND (TOWARD CENTER CITY) SERVICE

On Friday, June 8 & 15 ONLY, a Shuttle Bus will operate in place of Train #1500 (departing Thorndale at 11:54 p.m.) between Malvern and Bryn Mawr Stations. Customers should transfer to the train at Bryn Mawr Station for continued service toward Center City

T (TOWARD THORNDALE)

On Friday, June 8 & 15 ONLY, a Shuttle Bus will operate in place of Train #1500 (departing Thorndale at 11:54 p.m.) between Malvern and Bryn Mawr Stations. Customers should transfer to the train at Bryn Mawr Station for continued service toward Center City
