GENERAL ENGINEERING CONSULTANT SERVICES – CONSTRUCTION MANAGEMENT (CM)

DISADVANTAGED BUSINESS ENTERPRISE (DBE) RESOURCE LIST

This *Resource List* is for informational purposes only and is to assist prospective bidders in identifying some of the firms that may be eligible to participate on various SEPTA projects as DBEs. Since the certification status of a firm is subject to change due to annual reassessment or changes in ownership, management, and/or control, prospective bidders should contact the DBE Program Office regarding a firm's current status for a particular bid.

ONLY FIRMS WITH A CURRENT CERTIFICATION ARE ELIGIBLE FOR DBE CREDIT ON PROJECTS. The bidder has the sole responsibility of obtaining certified firms for use on SEPTA's projects. Bidders can search for additional firms via the Pennsylvania Unified Certification Program (PA UCP) website at www.paucp.com.

If you have any questions concerning a firm's status, or if you need assistance identifying other firms, contact the DBE Program Office at (215) 580-8333.
