

# CITIZEN ADVISORY COMMITTEE

## Membership Application

When the Pennsylvania Legislature created the Southeastern Pennsylvania Transportation Authority (SEPTA) they also called for the establishment of a Committee, made up of transit riders, who would advise SEPTA on issues important to customers.

Known as the **Citizen Advisory Committee (CAC)**, this group is made up of transit riders representing Bucks, Chester, Delaware, Montgomery, and Philadelphia Counties.

The Mayor appoints the Philadelphia members while the County Commissioners appoint members for their respective counties. There are currently a number of vacant positions and we are seeking transit riders, from across the SEPTA service region to apply to become a CAC member.

If you live in one of the above counties, are a regular SEPTA rider, feel strongly about transit, and are interested in representing other riders, and have a proven track record of community volunteerism, please take a few moments to complete this application.

Please join the CAC and share your voice to support a strong public transit system for our City.

Thank you
