2022 STREET TRACK REMOVAL PROJECT
60th Street & Girard Avenue to 60th Street & Lansdowne Avenue

SCHEDULE
- In conjunction with the Philadelphia Streets Department, this project includes the excavation of rail and restoration of the street, including asphalt and traffic lines. As part of this project, all the old tracks on 60th Street between Girard and Lansdowne avenues will be removed. SEPTA’s construction is scheduled to begin on Monday, April 18th, while the city’s contractor will begin milling of the road in advance. SEPTA’s work should be completed by June 3rd, after which the city’s contractor will return to resurface the street.

DETOURS DURING CONSTRUCTION
- 60th Street between Girard Avenue and Lansdowne Avenue will be closed to thru traffic one block at a time as crews perform the track removal.
- Route 46 will be detoured as the work progresses. Check for posted signs. Check www.septa.org for travel information or call Customer Service at 215-580-7800.
- Vehicular traffic will be restricted in the work areas.
- Emergency vehicles will have uninterrupted access. Trash collection and other city utilities will continue to have access.
- All side streets in the affected construction areas will be closed to thru traffic. Local traffic will be permitted up to the construction site.
- Posted traffic detours will be erected and maintained around the work area in progress.

GENERAL INFORMATION
- Normal construction hours are – Monday through Friday, 7:00am to 3:30pm. (Occasional weekend work may be needed.)
- Vehicular parking will not be permitted in the construction zone or adjacent to the tracks being removed.
- Exceptions/Arrangements will be made as required for those with special needs.
- Delivery vehicles will have limited access; drivers may have to park and carry in parcels.
- Pedestrian access will be arranged to businesses open during construction.

BENEFITS
- Smoother ride for buses and vehicular traffic.
- New Street Surface – new concrete/asphalt paving and line painting.

SEPTA greatly appreciates your patience and understanding while this important construction project is completed.
