

2022 TROLLEY TRACK RENEWAL PROJECT

40th St. (Filbert to Spruce) and the Curve at 42nd and Spruce

SCOPE and SCHEDULE

- This project involves the excavation and renewal of the existing trolley tracks on 40th Street between Filbert Street and Spruce Street as well as the curve at 42nd Street and Spruce Street.
- Pre-construction work (i.e., welding) will begin Tuesday, May 31st on 40th Street between Powelton Avenue and Filbert Street. This preliminary work could result in a parking impact for residents and businesses on these streets.
- Construction will take place from June 13, 2022, through August 27, 2022, **with no work in July**.
- The Route 40, 30 and 42 will be impacted at times due to this project. Check for posted signs. Check www.septa.org for travel information or call Customer Service at 215-580-7800.

- **June 13, 2022, through July 1, 2022 – 40th Street, Filbert Street to Chestnut Street**
 - Begin work at 40th and Filbert - June 13th
 - Weekend of June 17th through June 20th, complete intersection of 40th and Market Sts.
 - Weekend of June 24th through June 27th, complete intersection of 40th and Chestnut Sts.
 - Tie in at south end of 40th and Chestnut intersection and return track to service by end of shift July 1st.

- **August 1, 2022, through August 19, 2022 – 40th Street, Chestnut Street to Spruce Street**
 - Begin at 40th and Chestnut - August 1st
 - Weekend of August 5th through August 8th, complete intersection of 40th and Walnut Sts.
 - Continue renewal and tie into new construction north of Spruce Street.

- **August 20, 2022, through August 27, 2022 – Curve at 42nd Street and Spruce Street**

DETOURS DURING CONSTRUCTION

- **As noted above, the intersections at Market Street, Chestnut Street and Walnut Street will be closed to vehicular traffic for one weekend each and separately. Closures will be coordinated with PennDOT and local detours accordingly.**
- The Route 40, 30 and 42 will be impacted at times due to this project. Check for posted signs. Check [http://www.septa.org/](http://www.septa.org) for travel information or call Customer Service at 215-580-7800.
- One block at a time will be closed. Once the closed streets are completed, they will be reopened.
- Vehicular traffic will be restricted in the work areas.
- Emergency vehicles will have uninterrupted access. Trash collection and other city utilities will continue to have access.
- All side streets in the affected construction areas will be closed to thru traffic. Local traffic will be permitted up to the construction site.
- Posted traffic detours will be erected and maintained around the work area in progress.

GENERAL INFORMATION

- Normal construction hours are – Monday through Friday, 7:00am to 3:30pm. (Occasional weekend work may be needed.)
- Vehicular parking will not be permitted in the construction zone or adjacent to the tracks being reconstructed.
- Exceptions/Arrangements will be made as required for those with special needs.
- Delivery vehicles will have limited access; drivers may have to park and carry in parcels.
- Pedestrian access will be arranged to businesses open during construction.
- Check www.septa.org for travel information or call Customer Service at 215-580-7800.

BENEFITS

- Reduced vibrations – increased continuity with steel tie construction and increased bonding.
- Smoother ride for trolleys and vehicular traffic – new and improved track components.
- New Street Surface – new concrete/asphalt paving and line painting.

SEPTA greatly appreciates your patience and understanding while this important construction project is completed.
